### Omni-Chem 136, LLC Announces New Member

**Brownsburg, IN - (January 1, 2024)** – Omni-Chem 136, LLC the largest global alliance of regional independent chemical distributors announces that Brainerd Chemical Company has joined the alliance effective January 1, 2024.

“As we embark on a new year, I am delighted to announce that Brainerd Chemical Company has joined the Omni-Chem 136, LLC alliance”, says Fred A. Buehler, Managing Director Omni-Chem 136. “Their unwavering commitment to innovative customer solutions, safety and responsible distribution aligns with the values of the Omni-Chem alliance. Together we look forward to working alongside Brainerd Chemical to push the boundaries of what is possible through our global alliance of independent chemical distributors.”

“Brainerd welcomes new challenges, new relationships and the opportunity to expand our network. The Omni-Chem 136 alliance of world class companies offers the blueprint for Brainerd’s evolving and ever changing focus on the business of chemistry” says Mathew Brainerd, CEO Brainerd Chemical Company, Inc. “I appreciate the Omni-Chem 136 member companies welcoming the Brainerd team and I look forward to rolling up my sleeves as together we write the next chapter for innovation in this industry for which I have great passion.”

Omni-Chem 136, LLC is an alliance of 16 regional chemical distributors throughout the Americas and Europe that distribute a broad range of chemicals found in products that people use every day. Omni-Chem 136 is the largest global network of independent chemical distributors. Through our network, we provide an extensive range of supply chain solutions for both customers and chemical manufacturers.

We offer an expansive array of products and services while maintaining unparalleled flexibility. Our broad geographic coverage allows us to meet the needs of chemical users and manufacturers both large and small. Service is the key to our success. At Omni-Chem136, we combine the strengths of many into the power of one.

## About Brainerd

Brainerd Chemical is a privately-held company that has grown to become one of the largest independent providers of chemicals and related services in the continental United States. Over the course of 44 years under the leadership of Mat Brainerd, our family business has expanded from a local reagent supplier to being recognized as a top 100 U.S. Chemical Distributor. Our dedicated team of chemists, engineers, and support staff offer unrivaled support and guidance. We deliver exceptional chemical products and services to thousands of customers through our strategic network of facilities across the continental United States. Stewardship, safety and service are the pillars of our culture.

At Brainerd, we harness the power of chemistry to solve our customers' toughest challenges. With unwavering dedication, our core values serve as our compass, driving our relentless commitment to delivering safe, responsible and innovative solutions every day.

- Innovative and Creative Problem Solving
- A Passion for Safety and Responsible Distribution
- Keen Focus on our Customers and Stakeholders
- The Integrity to do the Right Thing Regardless of the Cost
- Dedicated to Being Extraordinary in our Industry
